

JURY NOTICE #1

Note on Redress – Standard Redress

When the International Jury posts a decision using the annotation STANDARD RDG this means that the following formula is being used to calculate redress:

Points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series up to and including the last completed race on the penultimate day of the series except for:

- race 1 (seeding race)
- the race redress is being given for,

The redress given shall not be worse than the score for the boat's finishing position in the race in question:

- for the boat's finishing position; or,
- her score determined by the race committee without a hearing under RRS A5 as changed by HMS 2.4 and 3.4.

Note on Redress – Final Day

When the International Jury posts a decision using the annotation FINAL DAY RDG this means that the following formula is being used to calculate redress:

Points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series up to, but excluding:

- race 1 (seeding race)
- the race redress is being given for,

The redress given shall not be worse than the score for the boat's finishing position in the race in question:

- for the boat's finishing position; or,
- her score determined by the race committee without a hearing under RRS A5 as changed by HMS 2.4 and 3.4.
